# Portion Packs & Combi-Packs

CUSTOMISE YOUR PRODUCTS FOR CONVENIENCE AND BRANDING

*DeSter.ACS offers professional packaging solutions for those extra items that accompany your meal service. Together with you, we create portion packs that give you **better portion control, minimise spillage** and ensure **maximum hygiene**. Our combi-packs let you enclose different items in one wrapped package that meets all your specific service needs. What's more, our in-house design and printing teams can help you personalise your portion and combi-packs to reflect your brand identity.*

## FILLINGS:

### Condiments:

- pure white sugar
- brown cane sugar

### **Sticks**

For brown cane sugar, pure white sugar, creamer, pepper and salt:

- easy to open and pour without spilling
- less packaging material
- stylish design.

### **Cruet-sets**

For upgraded and branded service;  
something your customers will want to keep.

**All automatically  
produced according  
to HACCP**

\* Aluminium-laminate linings ensure longer shelf-life and conserve aromas for coffee, creamers, face and refreshing towels. For other fillings, you can give portion packs an appealing surface-aluminium look.

## Focusing on innovation

At DeSter.ACS, we take pride in constantly adding to and improving our product range. Should you require specific features (designs, special material blends, etc.) for your intended use, just let us know. If we don't already have a solution, we can develop one together.

## Combi-Packs – Serving your specific needs

With our condiment and full-service cutlery combi-packs, you get all the advantages of portion control plus improved presentation, lower handling costs and the assurance that no service items are missing.

The combi-pack convenience: build your own condiment packs and full-service cutlery packs.

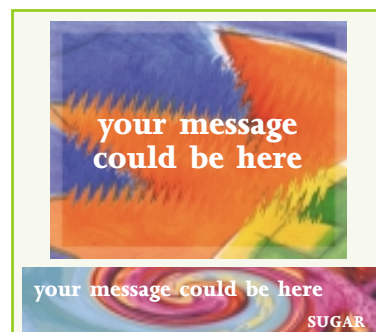

- **Condiment packs:** combi-pack with your choice of portion packs (condiments and refreshing towels). A napkin can be enclosed.
- **Cutlery packs:** combi-pack with a napkin and your choice of portion packs and cutlery. Special items, such as dental sticks, sweeteners, milk cups, as well as branding cards and promotional leaflets, can also be enclosed.

For details, please consult the specification sheets that accompany this brochure.

## Personalising your packs – Adding brand value to your service

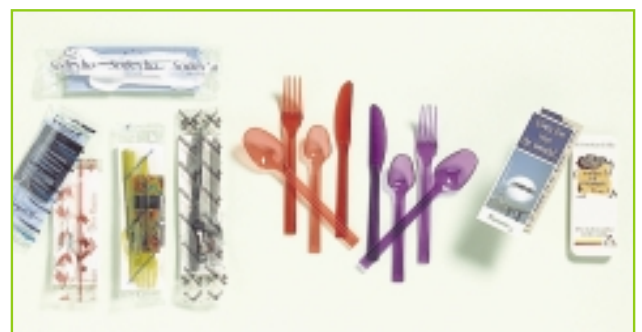

Let your combi-packs reflect your corporate identity. Our in-house design and print studio helps you create personalised messages for portion packs and combi-packs – a cost-effective way to promote the best of your business.

### Personalised portion packs

- Attractive multi-colour printing
- Smooth-feel, glossy paper for top print quality

### Personalised combi-packs

- Multi-colour printing on plastic wraps
- A variety of colours for cutlery
- Promotional inserts and branding cards
