## YOUR RELIABLE, RESPONSIVE RESOURCE

The one constant in today's technology-driven world is "change". Change can mean opportunity - especially with Alltech Technologies as your partner. Alltech's highly trained, reliable and responsive specialists have the expertise and experience needed to help you meet today's telecommunications network challenges.

Alltech Technologies provides a wide array of technical services, including construction, installation, turn-up and testing, to telecommunications industry clients nationwide.

### **Our Four Fundamental Business Principles:**

#### *Commitment to You*

We are client-driven. We have a relentless determination to be your best contractor. We back this with expertise, reliable performance and a commitment to your success.

We are constantly looking for new and better ways to serve you.

#### *Customized Services*

We customize our services to meet your needs. We provide only the services you want, when and where you need them. Whether you need installation, power, turn-up or testing resources, Alltech delivers in a reliable and responsive manner.

*Alltech Technologies' Corporate Headquarters  
1212 Bath Avenue, Penthouse  
P.O. Box 2558 • Ashland, KY 41105-2558  
(606) 325-9281 • Fax (606) 325-9284*

#### *Quality Services, Competitively Priced*

Alltech delivers the highest quality cost-effective installation, turn-up and testing services in the industry. Our partners are assured of quality results from Alltech's experienced, reliable professionals.

#### *Reliability and Responsiveness*

Rely on Alltech for responsive, on-time, cost-effective, professional resources. Your success is our success.

If your business needs to move quickly, you can rely on Alltech's reliable and responsive professionals to move quickly with you.

Alltech Technologies wants to be your 21st Century communications construction and network services company. Contact us today to see how Alltech's reliable and responsive professionals can help you be ready for tomorrow's telecommunications network challenges.

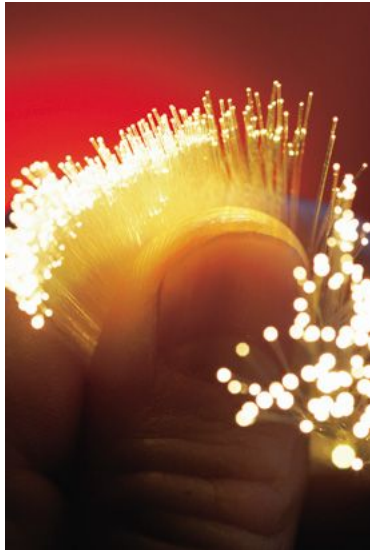

# INSTALLATION SOLUTIONS

## *The Alltech Difference*

Quality service - in a timely fashion - on any job, anywhere; that's the promise of our Alltech installation experts. When installing or expanding your network, Alltech is the one-stop provider of moves, additions, changes and new service drops. Our technical team members have direct experience with all the major carriers, cable systems' manufacturers, and certifications from recognized companies.

## *Count on Alltech to provide:*

*Central Office Installations*

*Regenerator Locations*

*Building and/or Customer Locations*

*Collocation Cages*

# ALLTECH TEAM

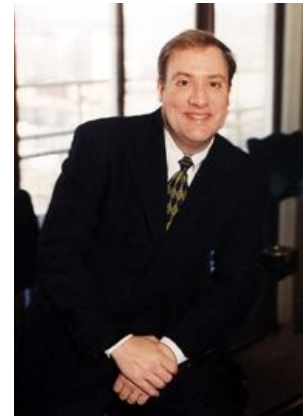

Alltech Technologies' key personnel have the kind of in-depth, expert experience you can count on. Our management team is made up of experts who understand the unique challenges of the telecommunication industry.
